

CAPITAL INVESTMENT COSTS FOR PLANT AND EQUIPMENT IN IRON AND STEELMAKING

Research Report

LIST OF EXHIBITS		Page
Exhibit 2.1	BOF / slab investments	13
Exhibit 2.2	BOF / slab summary	13
Exhibit 2.3	Integrated steel plant investments	14
Exhibit 2.4	Integrated steel plant summary	14
Exhibit 2.5	EAF / billet investments	15
Exhibit 2.6	EAF / billet summary	15
Exhibit 2.7	Scrap-based steelworks investments	16
Exhibit 2.8	Scrap-based steelworks summary	16
Exhibit 2.9	Sinter plant investments	17
Exhibit 2.10	Sinter plant summary	17
Exhibit 2.11	Investments in coke-making plant [developing countries]	18
Exhibit 2.12	Investments in coke-making plant [developed countries]	18
Exhibit 2.13	Coke plant summary	19
Exhibit 2.14	Investments in DRI plant	19
Exhibit 2.15	DRI plant summary	19
Exhibit 2.16	Some comparisons of natural gas and coal-based DR plants	20
Exhibit 2.17	Blast furnace investments	20
Exhibit 2.18	Blast furnace plant summary	21
Exhibit 2.19	BOF converter investments	22
Exhibit 2.20	BOF converter summary	22
Exhibit 2.21	Electric arc furnace investments [smaller EAFs]	22
Exhibit 2.22	Electric arc furnace investments [larger EAFs]	23
Exhibit 2.23	Electric arc furnace summary	23
Exhibit 2.24	Induction furnace investments	23
Exhibit 2.25	Induction furnace summary	24
Exhibit 2.26	Slab caster investments	25
Exhibit 2.27	Slab caster summary	25
Exhibit 2.28	Billet/bloom caster investments	26
Exhibit 2.29	Billet/bloom caster summary	26
Exhibit 2.30	Plate mill investments [standard or commodity plate].....	27
Exhibit 2.31	Plate mill investments [heavy or specialty plate]	27
Exhibit 2.32	Plate mill summary	28
Exhibit 2.33	Hot strip mill investments	28
Exhibit 2.34	Hot strip mill summary	29
Exhibit 2.35	Cold rolling mill investments	29
Exhibit 2.36	Cold rolling mill summary	29
Exhibit 2.37	HDG line investments	30
Exhibit 2.38	HDG line summary	31
Exhibit 2.39	Tin plate line investments	31
Exhibit 2.40	Tin plate line summary	32
Exhibit 2.41	Tin plate line capacity expansions	32
Exhibit 2.42	Tin plate upgrade costs – new build vs capacity extension	32

LIST OF EXHIBITS		Page
Exhibit 2.43	Organic coating line investments	33
Exhibit 2.44	Organic coating line summary	33
Exhibit 2.45	Heavy section and rail mill investments	33
Exhibit 2.46	Heavy section and rail mill summary	34
Exhibit 2.47	Bar mill investments	35
Exhibit 2.48	Bar mill summary	35
Exhibit 2.49	Extra capital investment costs – high performance steels	36
Exhibit 2.50	Wire rod mill investments	37
Exhibit 2.51	Wire rod mill summary	37
Exhibit 2.52	Wire drawing investments	38
Exhibit 2.53	Wire drawing summary	38
Exhibit 2.54	Welded tube investments	39
Exhibit 2.55	Welded tube summary	40
Exhibit 2.56	Seamless tube investments	40
Exhibit 2.57	Seamless tube summary	41
Exhibit 2.58	Pellet plant investments	42
Exhibit 2.59	Pellet plant summary	42
Exhibit 2.60	Coal washing plant investments	43
Exhibit 2.61	Coal washing plant summary	43
Exhibit 2.62	Lime plant investments	44
Exhibit 2.63	Lime plant summary	44
Exhibit 2.64	Pulverised coal injection investments	44
Exhibit 2.65	Pulverised coal injection summary	45
Exhibit 2.66	Hot metal desulphurisation investments	45
Exhibit 2.67	Hot metal desulphurisation summary	45
Exhibit 2.68	Blast furnace relines	46
Exhibit 2.69	BF reline summary	46
Exhibit 2.70	Ladle furnace investments	47
Exhibit 2.71	Ladle furnace summary	47
Exhibit 2.72	Vacuum degassing investments	47
Exhibit 2.73	Vacuum degassing summary	48
Exhibit 2.74	Air separation unit investments	48
Exhibit 2.75	Air separation unit summary	49
Exhibit 2.76	Power plant investments	50
Exhibit 2.77	Power plant summary	50
Exhibit 2.78	Temper mill / skin-pass mill investments	51
Exhibit 2.79	Temper mill / skin-pass mill summary	51
Exhibit 2.80	Slitting line investments	51
Exhibit 2.81	Slitting line summary	52
Exhibit 2.82	Pickling line investments	52
Exhibit 2.83	Pickling line summary	52
Exhibit 2.84	Waste water treatment plant investments	53
Exhibit 2.85	Waste water treatment plant summary	53
Exhibit 2.86	Acid regeneration plant investments	54
Exhibit 2.87	Acid regeneration plant summary	54

LIST OF EXHIBITS		Page
Exhibit 3.1	Size and capital costs of BOF, EAF and IF investments	55
Exhibit 3.2	Steckel mill investments	56
Exhibit 3.3	Steckel mill summary	56
Exhibit 3.4	Capacity and costs for different hot strip mill types	56
Exhibit 3.5	Reversing cold rolling mill investments	57
Exhibit 3.6	Reversing cold rolling mill summary	57
Exhibit 4.1	Investments by approx. year of plant commissioning	59
Exhibit 4.2	Sample size, average and total investment costs	59
Exhibit 4.3	Iron and steel industry capex – groupings by investment value ...	60
Exhibit 4.4	Private versus public sector involvement in modernisation	61
Exhibit 4.5	Top steel sector investors judged by number of current projects ...	61
Exhibit 4.6	BRIC orientation of steel industry investments	63
Exhibit 4.7	Distribution of recent BRIC-based investments by country	63
Exhibit 4.8	Plant cost analysis by main cost components – developed world	64
Exhibit 4.9	Plant cost analysis by main cost components – developing world	65
Exhibit 4.10	Employment impact of steel sector investment	68
Exhibit 4.11	Cumulative capex vs steel market prices – flat and long products	69
Exhibit 4.12	Upstream capex cost benefits of scale	71
Exhibit 4.13	Downstream capex cost benefits of scale	72
Exhibit 4.14	3 rd party financing – elements of steelworks construction	73
Exhibit 5.1	Sinter plant capex cost vs capacity chart	79
Exhibit 5.2	Coke plant capex cost vs capacity chart: developing world	79
Exhibit 5.3	Coke plant capex cost vs capacity chart: developed world	80
Exhibit 5.4	DRI plant capex cost vs capacity chart	80
Exhibit 5.5	Blast furnace capex cost vs capacity chart	80
Exhibit 5.6	BOF capex cost vs capacity chart	81
Exhibit 5.7	EAF capex cost vs capacity chart	81
Exhibit 5.8	Induction furnace capex cost vs capacity chart	81
Exhibit 5.9	Slab caster capex cost vs capacity chart	82
Exhibit 5.10	Billet and bloom caster capex cost vs capacity chart	82
Exhibit 5.11	Heavy plate capex cost vs capacity chart	82
Exhibit 5.12	Hot strip mill capex cost vs capacity chart	83
Exhibit 5.13	Steckel mill capex cost vs capacity chart	83
Exhibit 5.14	Tandem cold rolling mill capex cost vs capacity chart	83
Exhibit 5.15	Reversing cold rolling mill capex cost vs capacity chart	84
Exhibit 5.16	Hot dip galvanising line capex cost vs capacity chart	84
Exhibit 5.17	Tin plate line capex cost vs capacity chart	84
Exhibit 5.18	Organic coating line capex cost vs capacity chart	85
Exhibit 5.19	Heavy section and rail mill capex cost vs capacity chart	85
Exhibit 5.20	Steel bar capex cost vs capacity chart	85
Exhibit 5.21	Wire rod mill capex cost vs capacity chart	86
Exhibit 5.22	Wire drawing capex cost vs capacity chart	86
Exhibit 5.23	Welded tube capex cost vs capacity chart	86
Exhibit 5.24	Welded tube capex cost vs capacity chart	87
Exhibit 5.25	Pellet plant capex cost vs capacity chart	87

LIST OF EXHIBITS		Page
Exhibit 5.26	Coal washing plant capex cost vs capacity chart	87
Exhibit 5.27	Lime plant capex cost vs capacity chart	88
Exhibit 5.28	PCI capex cost vs capacity chart	88
Exhibit 5.29	Air separation unit capex cost vs capacity chart	88
Exhibit 5.30	Power plant capex cost vs capacity chart	89
Exhibit 5.31	Pickling line capex cost vs capacity chart	89
Exhibit 6.1	Summary of capital investment costs for key plant items	91
Exhibit 6.2	Capital cost map – notional flat product plant	93
Exhibit 6.3	Capital cost map – notional long product plant	94
Exhibit 6.4	Capital cost map – selected ancillary investments	95
Appendix 1: Analysis of steel sector investments by country		97
Appendix 2: Employment impact of steel sector investments		99
Appendix 3: Volume-driven and volume-independent investment costs		101
