

# CIS Steel Industry Review

## Contents

### Introduction

#### **Reconstruction of the equipment at steel works done in 2004**

Blast furnace reconstruction  
Reconstruction of steel smelting and rolling mills  
Steel smelting production  
Continuous steel casting  
Rolling production  
Long products production

#### **Russian steel works plans as to modernization of the existing capacities and launching new steelmaking and rolling mills**

Magnitogorsk  
Uralsteel  
Severstal  
ZSMK  
Novokuznetsk  
Oskol  
Mechel  
Red October  
Ashinsk  
Sulinsk Steel Works  
Omutninsk Metallurgical Plant  
Kamastal  
Serov Steel Works  
Tube&pipe plants

#### **Current reconstruction held at steel smelting mills at Russian tube-pipe plants**

TMK  
OMK  
Chelyabinsk Tube Rolling Plant (CTRP) and Pervouralsky Novotrubny Works (PNW)

#### **New plants**

Metallurgical Holding  
Novorosmetal  
Tulachermet

#### **Ukrainian steel industry overview**

Owners of mining and metallurgical companies in Ukraine  
Reprivatisation  
Companies-owners of steel works  
Reconstruction at steel works in 2005

#### **Companies and their investment programs in 2005**

Krivorozhstal  
Ilyich  
Yenakievo  
Zaporozhstal  
Azovstal  
Konstantinovsk Steel Works  
Petrovsky Plant  
Dzerzhinsky Plant  
Makeevka  
Alchevsk  
Donetsk Metal Rolling Works  
Dneprospetsstal  
Donetsk Steel Works  
Donetskstal  
ISTIL  
Nizhnedneprovsky Tube Plant  
Dnepropress

#### **Projects on setting up new companies**

Poltava Mining Company (GOK) project  
Ingulets Mining Company (GOK) project  
Intersteel AG project

### **CIS countries**

Byelorussian Steel Works (BMZ)  
Moldova Steel Works  
Mittal Steel Termitau  
Casting  
Baku Steel Works  
Uzmetcombinat  
Liepajas Metalurgs  
Turkmenistan
